

GETTING STARTED WITH blupods

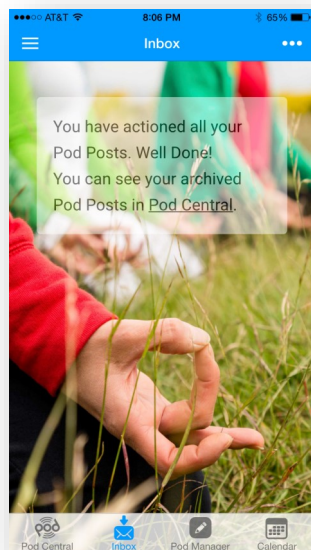

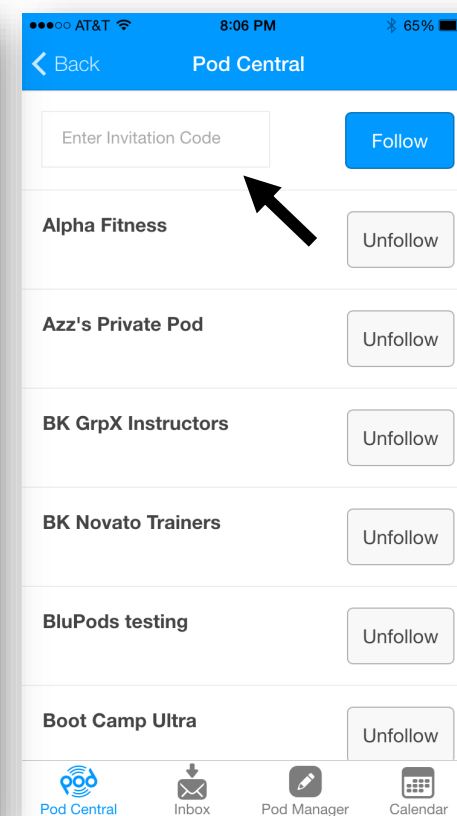

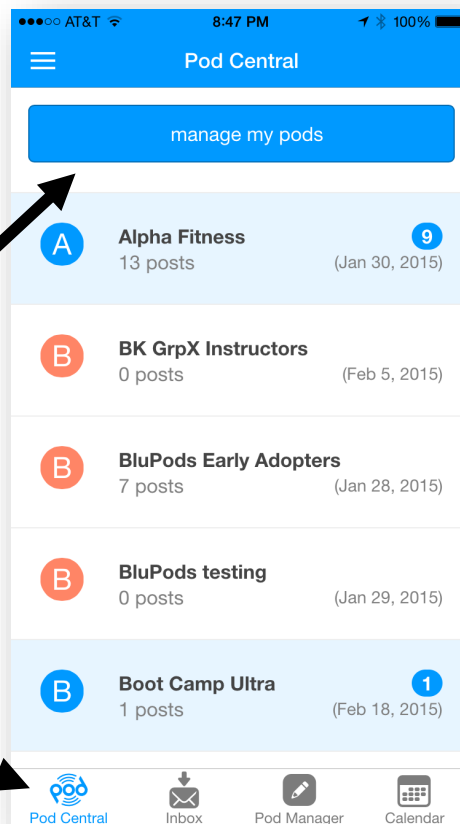

1. First you will need to download the BluPods Alpha app from the Google Play or App Store.

2. Launch the app and go to the “Pod Central” tab, then tap the “Manage My Pods” button.

3. Follow Public Pods or enter the invitation code received and tap “follow”

4. You can read all of your new messages in the “Inbox” tab.

If you have any questions, please feel free to email us at info@blupods.com
